Chicago
Pneumatic

Over a 100 years of industrial excellence in India

Chicago Pneumatic (CP) is a global leader in the design, manufacture and distribution of high-performance compressors. In addition to pioneering design, high impact technology and durability, Chicago Pneumatic means Customer Value. Our goal is to deliver best-in-class global service and local support to our customers through a dedicated product portfolio and a strong network of authorized distributors. We generate added value by delivering the best solution to your needs based on our decades of experience.

Today, CP is a global brand that offers products for countless applications and almost every industry. We are also proud to say that after all these years CP still stands for reliability, durability and customer value.

Decades of Innovation

Benefits

Excellent performance

Assured reliability

Longer life

Continuous duty operation

Lower oil residual in compressed air

Pulsation free air

35%
LESS FLOOR SPACE

15%
LESS ENERGY CONSUMPTION

*note: compared to previous design

Quiet operation

Designed for India's tropical conditions:

	European Condition	Tropical Condition
Temp	Max 20° C Min Sub Zero	Max 50° C Min Varying
Environment	Dust Free, Pressurized & Ventilated	Dusty Industrial
Mindset	Use & Throw	Use & Continue using

- Pre tensioned flexible drive
- Pressurized canopy
- Effective cooling
- Pre filter panel
- Natural ventilation passage

Product Features

Flexible Drive Rotary Screw Air Compressors

Unique design- Pressurized acoustic canopy and Pre filter

- Pre filter avoid any dust entry inside the canopy
- Pre filter maintains cleanliness inside canopy
- Pre filter enhances suction filter element life
- Natural ventilation passage provides smooth and consistent low of cool ambient air
- Pressurized canopy interior avoids any suction pressure drop decreases compressor ratio

Product variants - The CPB range

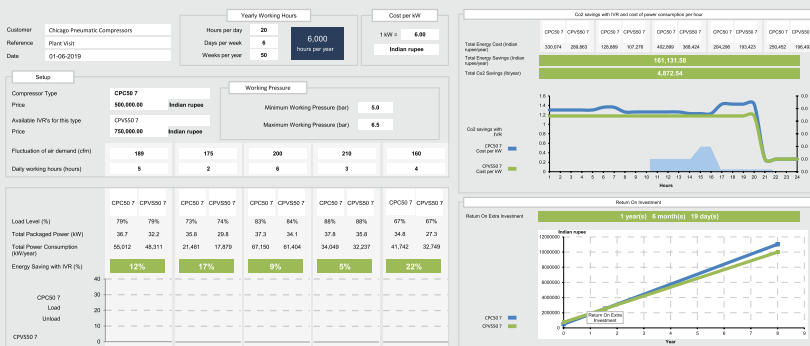

<p>CPB Floor Mount</p>	<p>CPVR Floor Mount/TMD</p>	<p>CPB Tank Mounted With Dryer</p>
<ul style="list-style-type: none"> • Small foot print • Plug to existing receiver 	<ul style="list-style-type: none"> • Built in Inverter Drive (IVR) drive • Saves upto 35% Power 	<ul style="list-style-type: none"> • For moisture free and oil free application (with dryer and filter)

Inverter drive (IVR)

The IVR Drive in the compressor, which electronically adjusts the motor's rotation speed, only consumes the energy needed to produce the compressed air required by your application.

Energy audit

An IVR compressor potentially offers upto 30% energy savings, with an ROI less than 18 months.

Chicago Pneumatic has developed the Energy cutter, a tool that calculates yearly savings from an IVR compressor.

We offer energy audits, specialized advice to make sure you make the right decision when buying your compressor.

ENVIRONMENTAL FRIENDLINESS

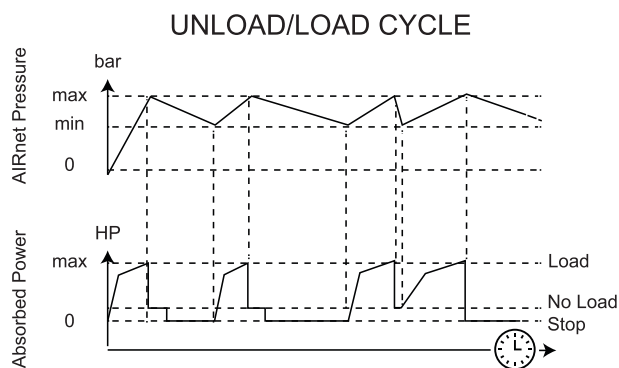

Energy Saving with Electronic Regulation

Electronic Regulation

The ES 4000 electronic controller groups all the command controls and alarms of the machine. This device allows management of all running and control functions of the machine; eliminating need for supervision during working.

Energy Saving

Technical Data

Inverter Driven

Model	Pressure (BAR G)	CFM @ BAR					dB (A)	End Connection	Weight KG	Dimensions (L X W X H) mm
		5	7	8	10	13

AirXtend

Have complete peace of mind with **AirXtend**, our extended warranty plan on **Screw Element**

Be it any application, the reliable operation of your compressor is key. With our AirXtend, maintenance is done at the right time by professionals who know your equipment inside and out.

-  Have a complete peace of mind with AirXtend, our extended warranty plan on Screw element.
-  Using original parts and lubricants will uphold your system's energy efficiency and prevent pressure drop as all consumables are replaced on time using genuine parts.
-  High uptime and energy efficiency reduce the operating cost of your compressor. In addition, AirXtend gives you maximum control over your budget.
-  We give you top priority and support in case of urgent repair, after all you are an Extended Warranty + customer.
-  No unnecessary spending.
-  We order original parts in advance to avoid piling up of the inventory.

*Local models only

We value your feedbacks and endeavour to continuously improve our products and services.

Service ahead of time.
Original parts, Your quality assurance.

We serve many industries...

Machining

Laser Cutting

Automobile

Oil and Gas

Colour Sorter

Aerospace

Metal Working

Wood Working

Paper and Printing

General Engineering

Pharmaceutical

Spinning (Textile)

Since 1901, the Chicago Pneumatic name has represented reliability and attention to customer needs, with tools and compressors designed for specific industrial applications. Today, Chicago Pneumatic has a global reach, with local distributors around the world.

Our people start every single day with a passion to research, develop, manufacture and deliver new products that are meant to meet your needs not only today, but tomorrow as well.
